

## Science Literacy and Reading Articles

Throughout the semester, you will be asked to find Anatomy related articles and given some Anatomy related articles to read and write summaries. The articles will account for 10% of your final average. Eight articles are required and the two highest grades will count twice, which will be added at the end of the semester. Follow the guidelines below to write your responses.

	Points
<p>Summary:</p> <ul style="list-style-type: none"> <li>- Write a <b>complete summary of the article</b> (at least 150 words) with correct grammar and spelling and must include information from the beginning, middle, and end of the article.</li> <li>- Include <b>one sentence explaining the overall purpose</b> of the article (what was it about in one sentence) <ul style="list-style-type: none"> <li>• NO PLAGIARISM IS ALLOWED. Changing one word in a sentence is plagiarism and using half of a sentence is plagiarism</li> <li>• Limit the use of quotes to 2 and it must be cited using the following (Last name of author *space* page number)</li> <li>• Ex: (Sintich 28)</li> </ul> </li> </ul>	45
<p>Reflection:</p> <ul style="list-style-type: none"> <li>- <b>Pick 5 of the questions to answer:</b> <ul style="list-style-type: none"> <li>○ What parts did you find interesting and why? What did you disagree with and why? Were you shocked by anything in the article? Did you think it was boring and why? What questions came up when you were reading it? Would you share this with a friend and why? How does the article relate to you? Why did you pick the article? (If applicable)</li> <li>• <b>You can include more than one interesting fact or more than one question to complete your 5 sentences</b></li> </ul> </li> <li>- <b>Define 2 words that you do not know</b> (or write out 2 definitions even if you know all the words in the article)</li> </ul>	25
<p>Connections:</p> <ul style="list-style-type: none"> <li>- Determine which body system(s) your article best represents (it can include more than one body system)</li> <li>- <b>Write at least 4 facts</b> that relate to the body system(s) – this will be information not necessarily in your article but things you find from your notes or the textbook <ul style="list-style-type: none"> <li>○ <b>This can be definitions of vocab from the body system or important information about the system. This will NOT be random facts about the system.</b></li> </ul> </li> </ul>	10
<p>Bibliography:</p> <ul style="list-style-type: none"> <li>- Include author, title of article, source (website/magazine/newspaper/app), and date (date written or date you retrieved the article)</li> <li>- YOU MUST INCLUDE THE <b>COMPLETE WEB ADDRESS</b> IF YOU USED AN ARTICLE ONLINE (this will be your source part from above)</li> </ul>	20
	If not included, it is a grade of a 0 for the article

## Helpful Websites and Apps for Finding Articles:
